Restaurateur Roots

Levy Restaurants is proud to be the market leader in signature food and hospitality for events and every major professional sports league across the US.

Our culinary team has catered some of the most high-profile events in the world, including the Super Bowl, U.S. Open, NBA and NHL All-Star Games, the World Series, the Grammy Awards and the Kentucky Derby.

The Walt Disney Company selected Levy Restaurants as the first organisation to create and operate two restaurants at its world-famous resort in Orlando, Florida.

Brothers Larry and Mark Levy expanded beyond their real estate and insurance roots by investing in D.B. Kaplan's Delicatessen in Chicago. Six months later, Levy Restaurants was born.

Levy Restaurants pioneered fine dining for sporting venues at Comiskey Park, home of the Chicago White Sox.
